

Uncle James.
There was an old gentleman whose name was
Uncle James
Who was born long ago, long ago;
He may be sure have had some other names
Which I don't happen now to know.
CHORUS.
Then lay down the fiddle and the bow,
Take up the shovel and the hoe,
And we'll dig a hole for old Uncle Jim,
And bury him deep and low.

In the Federal ranks long time he stood,
And once he was heard to shout,
That if he had a drop of democratic blood,
He'd be glad to let it all run out.

To O-tend once to this old man,
And this honest scheme did reveal—
"We'll buy Spain's daughter Cuba if we can,
And if we can't we'll steal."

When he'd grown old his party thought,
They'd take Uncle James by the nose,
And put him up in a fight they fought,
With the hosts of slavery's foes.

But poor Uncle Jim was too old for to fight,
And too old for to run away,
So when he woke up one morning bright,
He found he had lost the day.

When this Old Hat was New.
When this Old Hat was new, my friends,
Burkham was the man,
Best first in the K-y-s-tonic State
To lead the Federal Cause.

He swore, no democratic blood
Should make this vint look blue,
He'd cure them by Paleobotomy.
When this old hat was new.

Who will wheel the apples?—It is
said that Major Potter's wagon has been
taken, namely, that if Fillmore, does
not receive more votes than Fremont, in
Massachusetts he, Poor, will wheel a
barrel of apples on a wheelbarrow from
Newburyport to Boston, or, if Fillmore
receives the most, the taker of the bet
shall convey the apples in the same way
from Boston to Newburyport.

Size of the West.—Illinois would
make forty such States as Rhode Island,
and Minnesota sixty. Missouri is larger
than all New England. Ohio exceeds
either Ireland or Scotland, or Portugal,
and equals Belgium and Switzerland
together. Missouri is more than half as
large as Italy, and larger than Denmark,
Holland, Belgium and Switzerland.
Missouri and Illinois are larger than Eng-
land, Scotland, Ireland and Wales.

The State Agricultural Fair will be
held at Indianapolis, on Monday to
Saturday, October 20th to 25th, inclusive.

Pickles.—An excellent way to make
pickles that will keep a year or more, is to
drop them into boiling water but not
boil them, let them be in ten minutes,
wipe them dry, and drop into cold spiced
vinegar, and they will not need to be put
into salt water, and are always ready
for use.

JOHN'S SHARE.
"Dad," said a hopeful sprig "how many
fowls are there on the table?"
"Why," said the old gentleman, as he
looked complacently on a pair of finely
roasted chickens, that were smoking on
the dinner table, "why my son there are
two."

"Two?" replied the smartness, "there are
three sir, and I'll prove it."

"Three?" replied the old gentleman, who
was a plain matter-of-fact man, and un-
derstood things as he saw them, "I'd like
to see you prove that."

"Easily done, sir, easily done! Ain't
that one?" laying his knife on the first.

"Yes, that's certain," said his dad.

"And ain't that two?" pointing to the
second, "and don't one and two make
three?"

"Really?" said the father, turning to the
old lady, who was in amazement at the
immense learning of the son, "really wife,
this boy is a genius, and deserves to be
encouraged for it. Here, old lady, do
you take one fowl, and I'll take the second,
and John may have the third for his
learning."

Carter's Spanish Mixture.
THE GREAT PURIFIER OF THE BLOOD!
Not a Particle of Mercury in it!

An infallible remedy for Scrofula, King's
Rheumatism, Ointment Catarrhs, Eruptions,
Pimples, or Pustules on the Face,
Blotches, Boils, Acne, and Fever,
Chronic sore Eyes, Ring-
worm, or Tetter, Scald
head, Eczema,
and all the
Bones and
Joints.

Salt Rheum, Stomach Ulcers, Syphilitic Dis-
orders, and all diseases arising from an im-
purity of the Blood. Impurity in Life,
or impurity of the Blood.

This great alternative Medicine and Purifier
of the Blood is now used by thousands of
grateful patients from all parts of the United
States, who testify to its remarkable
cures performed by the greatest of all medi-
cines, "Carter's Spanish Mixture." Neuralgia,
Rheumatism, Scrofula, Eruptions on the
Skin, Liver Disease, Fevers, Ulcers, Old sores,
Affection of the Kidneys, Diseases of the throat,
Female Complaints, Pains and Aching of the
Bones and Joints, are speedily put to flight
by using this inestimable remedy.

For all diseases of the Blood, nothing has
yet been found to compare with it. It cleanses
the system of all impurities, acts gently and
efficiently on the Liver and Kidneys,
strengthens the Digestion, gives tone to the
stomach, makes the skin clear and healthy,
and restores the Constitution, enfeebled by dis-
ease or broken down by the excesses of youth,
to its pristine vigor and strength.

For the DISEASES OF FEMALES it is peculiarly
applicable, and wherever it has become known
is regularly prescribed with the happiest ef-
fects. It invigorates the weak and debilitat-
ed, and imparts elasticity to the worn-out
frame, clears the skin, and leaves the patient
fresh and healthy; a single bottle of this inesti-
mable remedy is worth all the so-called
Sarsaparilla in existence.

The large number of certificates which we
have received from persons from all parts of
the United States, is the best evidence that
there is no humbug about it. The Press, hotel
keepers, magistrates, physicians, and public
men, well known to the community, all ad-
vertise their testimony to the wonderful effects of this
GREAT BLOOD PURIFIER.

Fluttering at the pit of the Stomach, Swim-
ming of the head, Hurred and difficult

es of heat, burning in the flesh, Constant im-
pairments of Evil, and great depression of
Spirits.

The proprietor in calling the attention of
the public to this preparation, does so with
a feeling of the utmost confidence in its vir-
tues and adaptation to the diseases for which
it is recommended. It is a new and untried
article, but one that has stood the test of a
ten years' trial before the American people,
and its reputation and sale is unrivaled by
any similar preparations extant. The testi-
mony in its favor given by the most promi-
nent and well known Physicians and individ-
uals in all parts of the country is immense,
and a careful perusal of the Almanac, pub-
lished annually by the proprietor, and to be
had gratis of any of his Agents, cannot but
satisfy the most skeptical that this remedy is
really deserving the great celebrity it has ob-
tained. Principal office and Manufactory, No.

R. R. R.
LIFE AND DEATH.
The Mysteries of disease laid open to the people.
Health is the Principle of Life; Disease is
the Principle of Death.
The R. R. R. Remedies possess the great
power to secure to the human system Health
and long life, and to free the human family
from pains, aches and all bodily infirmities.
Thos. Pryce, Proprietor, and the method of
curing disease by the R. R. R.

Radway's Ready Relief
Is to be used in all cases where there is pain.
The moment it is applied externally, or taken
internally, it will allay the most torturing aches,
pains, cramps, spasms, burns, scalds, &c., and
quicker than Morphine, Calomel, or any other
or any other anodyne or remedy that has ever
been used by medical men.

It is safer than these dangerous remedies.
The public will bear in mind that Chloroform,
Morphine, Opium, &c., while the pain is
stopping the senses, so that the perceptive
faculties lose the power of feeling, and that
after the influence of these narcotics have passed
from the system, the pain again breaks out
with its terrible pang, which renewed violence
Radway's Ready Relief stops the pain and
removes the cause of the disease that occasions
it; it infuses new life into the weak and
diseased parts. It braces up the nerves, and
establishes in the system a reaction of health
and strength in place of pain, weakness and
disease.

As a counter irritant, Radway's Ready Relief
applied to the surface of the body, where there
is inflammation or congestion, it will im-
mediately scatter the congested blood, equalize
the circulation, and in a few minutes the most
excruciating pains are removed. This may be
seen in cases of Lumbago, Gout, and Rheumatism
in their most terrible forms, where an appli-
cation of Radway's Ready Relief will restore
the patient to ease and comfort.

Crippled with Rheumatism, arm and leg per-
ished—no hopes of his recovery—timely use
of R. R. R.—A wonderful cure.

LETTER FROM ISAAC HEDDLSTON.
Laporte, Ind., Jan. 10th, 1855.
Messrs. Radway & Co. Dear Sirs:—I have
been cured by your May of Rheumatism, when
there was no hopes of his ever recovering. I
heard of his situation and sent for him. His
right arm and leg was all paralyzed; he had no
power of them at all, but by the use of your me-
dicine in two months he was carrying the mail
from Cherryville to Burr's Ferry. I objected.
He said he must do something for living. It
has been fourteen months since he was cured.
He now will do anything for his family, and
the whole cost of his cure for your medicines
was five dollars.

Radway's Regulators.
We have direct the attention of the public to
our newly discovered remedy—RADWAY'S
REGULATORS; they possess the great creative
power of a purgative, cathartic, aperient,
diuretic, and expectorant, and in fact the only
purgative and cathartic that has ever been
discovered or given to the world.

Radway's Regulators will answer a better
purpose than Calomel or any other cathartic,
and this is all proper enough, if confined
within proper limits. The system is out of order, or under the influence
of disease. One or two doses of Radway's
Regulators has frequently checked the progress
of the most terrible diseases, and restored the
system to health and regularity.

They are in the form of pills, elegantly coat-
ed with gum, perfectly tasteless, and can be
taken without sickening or retching the patient.
They are to be used in all cases where the
system is out of order, or under the influence
of disease. One or two doses of Radway's
Regulators has frequently checked the progress
of the most terrible diseases, and restored the
system to health and regularity.

They establish new and approved princi-
ples in medicine, and secure the great and im-
portant power of regulating to a healthy, natu-
ral and harmonious action, each and every or-
gan of the body. This great controlling power
has never before been the property of the
popular Cathartic, Vegetable or Indian Purga-
tive Pills, that have ever been in use.

Radway's Regulators rid the system from
disease and restore the human body to health,
on an entirely different principle to the weak-
ening, sickening and griping method of the
common cathartic and purgative pills.

One or two of Radway's Regulators will re-
move the cause of the common cathartic or pur-
gative pills. The common cathartic or pur-
gative pills are taken into the system afflicted with dis-
ease, their organizing efficacy begins; they
search out the elements of disease wherever it
may be seated; they act upon the whole surface
of the interior, and wherever they find a morbid
and noxious humor from the blood, glands, se-
creting vessels, and excreting ducts, they
regularize the action of the Liver, Bowels, Pancreas,
Kidney, Bladder, Skin and all other
Viscera.

THE BOWELS.
All of the common pills of the day, called
Vegetable, Indian, Cathartic, &c., claim that
they cure disease by purging from the bowels.
This is as far as they go, and they do not
beware of irritating the mucous membrane,
and thus obtain an evacuation in the same man-
ner as the bowels are moved by eating some-
thing that is not food, or by the use of a cathartic.
This is an unnatural method of restoring the sys-
tem to health, by swallowing pills that irritate
the bowels, and thus cause a morbid action.
After the scouring operation of these drastic
purgatives is over, the bowels are sore and
inflamed, and the system is left in a debilitated
condition, and the system is left in a debilitated
condition, and the system is left in a debilitated
condition.

No. 1.
Diseases and complaints caused by exposure
and atmospheric changes, over which Radway's
Ready Relief and Radway's Regulators possess
the most remarkable curative powers, and
which will readily yield to the R. R. R. Remedies.

COLDS AND FEVERS.
When the system is invaded with sudden
cold, or a fever sets in. A dose of from three
to six of Radway's Regulators should be taken
—this is all the medicine at this stage of the
disease that is required, in an hour or two the
fever will subside, and the patient will be free
of the cold and fever. But if the cold and fever
is neglected, and continues, and continues,
headaches, colds, chills, pains and aches in the
limbs, joints, muscles, bones, side and back,
sore throat, hoarseness, difficult breathing fol-
lows the cold and fever. Radway's Ready
Relief should be applied externally, and a good
dose of the Regulators taken. As soon as the
Relief is applied a reaction will take place, and
in a few hours the patient will be free from all
such ailments.

It is these signs of the presence of disease in
the system are unattended, and violent fevers
break out in the form of Billious, Typhoid,
Scarlet, Ship Fever and other malignant fevers.
A more rapid treatment becomes necessary.
The Regulators should be given every four
hours, in large doses of from four to six, until
free and copious discharges from the bowels
are obtained. The regurgitation will produce
a salutary effect upon the skin, and taken in
water will abate the fever.

Inflammation or congestions take place.
Radway's Regulators and Ready Relief should
be taken in large doses. The regurgitation will
produce a salutary effect upon the skin, and taken
in water will abate the fever.

Attacking the joints and limbs, inflicting the
terrible pangs of pain with merciless rapidity—
between Thos. Pryce of Laporte and N. H.
Oglesbee, is this day dissolved by mutual con-
sent. The notes and accounts of said firm
are to be paid to N. H. Oglesbee, and all de-
mands against it are to be paid by said Ogles-
bee.

SMALL POX—RADWAY'S READY RELIEF—REMARKS.
Radway's Ready Relief is not only a cure for
these infectious diseases, but will prevent those
who use the Ready Relief and Regulators against
the infection.

We have known the R. R. R. Relief rid the
wholesale and retail trade of the infection of Small
Pox and Scarlet Fever. We have likewise known
shipmasters who have saved the lives of their
crews and passengers, and entirely driven off
the small Pox and Ship Fever from their ves-
sels, by sprinkling the Ready Relief through-
out their infected ships. It is astonishing what
powerful effects the Ready Relief will have if freely
sprinkled in places where the infectious and
contagious poisons prevail.

We will guarantee that if those who are now
suffering with fever and ague, or its effects, will
place their systems under the influence of Rad-
way's Ready Relief and Regulators, to cure them
of this distressing malady, and to free them
from the fever of ague that is now lingering in
their systems, and to render their bodies ague
proof against renewed attacks.

Those now suffering from enlargements of the
Spleen, Enlargements of the Liver, and other
enlargements of the organs, are promised speedy re-
lief from their miseries by the R. R. R. Relief
and Regulators.

We now direct the attention of the public to
our second great discovery for the cure of
chronic disease.

No. II.—R. R. RESOLVENT.

causes, which said diseases and disorders in this
second class.

RADWAY'S RESOLVENT RESOLVENT.

This all powerful remedy has performed
miracles in the way of cures. It has made
many persons sound and whole, whose flesh
was one mass of corruption, and who were
so disfigured by disease as to render them ob-
jects repulsive to the sight.

HUMORS—BAD BLOOD.

largements of the liver, chronic rheumatism, gland-

tions, for new life is coursing through every
vein and artery of the body—enriching and
purifying the blood, and causing out all morbid
and corrupt and noxious humors.

chronic complaints. It has made whole
and sound patients who had suffered the most
debilitating disease could not find upon the
system. Let two or three bottles of the Resolvent

At the manufacturer's prices, to which the at-
tention of Farmers is especially invited, be-
cause they supply all calls with an inter-
esting article. These plows are known to most
of our citizens, and have heretofore given gen-
eral satisfaction.

With the present flattering prospects of abun-
dant crops and certain prosperity, farmers and
other well-to-do men, will find it more profitable
time to purchase such articles as they really
need. Give us a call at all events, and let us
talk about it, and if we can't suit you, we hope
there will be no harm done.
